"Retired agent Dell Spry served in the FBI for twenty years. During his career, he primarily worked counterintelligence, counterespionage, and counterterrorism investigations. While assigned to FBIHQ, Dell was a member of the National Security Council Counterterrorism Working Group. He was liaison to the CIA Counterintelligence Center, Counterespionage Group and was the lead investigator for the FBI in the Aldrich Ames case. In this episode of [FBI Retired Case File Review](#), Dell is interviewed about the two-year-long investigation where he, as the FBI case agent, along with a team of FBI and CIA personnel, was successful in identifying Ames as a KGB mole. Ames, who was directly responsible for the execution of several Soviet and Russian assets and operatives, was charged and convicted of espionage in 1994 and is serving a life sentence. Dell received the FBI Director's Award for Excellence in a Counterintelligence Investigation and the CIA Director's Meritorious Service Award for his efforts. Prior to retirement, Dell supervised a Counterintelligence squad in Atlanta, Georgia. Currently, as a consultant, Dell teaches an advanced course of instruction to novice and experienced FBI personnel on human intelligence (HUMINT) collection, intelligence tradecraft, and counterintelligence matters."

UPCOMING PROGRAM

August 21, 2017 Joe Jones on Georgia Rotary Student Program

On Monday, August 21, 2017, Joe Jones, a GRSP Trustee and member of the Rotary Club of Sandy Springs spoke to the Rotary Club of Sandy Springs about the Georgia Rotary Student Program. Pictured below L-R Gene Jordan, Barbara Evans, Joe Jones during special GRSP recognition of the late David Evans.

According to the GRSP website,

"What is the Georgia Rotary Student Program?"

Since 1946, Rotarians in Georgia, USA, have promoted world peace through understanding by offering scholarships to international students for one year of study in Georgia colleges and universities. Georgia Rotary Clubs sponsor students recommended by a Rotary Club in their home country.

The students become adopted members of a Georgia "host family," living on-campus at the school they attend. This is a scholarship program, not an exchange!

Each year, about 60 students from all over the world make friends in the United States and other nations and learn about differing cultures and life styles. Georgia Rotarians believe "Peace is Possible" and through GRSP promote international goodwill through friendship and understanding."

Here's a link to the Official Handbook provided to incoming GRSP students.
